Dear Joe,

At the November 3, 2021 meeting of the Town Board of Lac du Flambeau a land purchase was discussed. It was decided to reach out to you to find out if you would be interested in selling six to 10 acres of your property at the corner of Highway 47 and Raven Lake Road. If so, at what cost and terms?

Please contact the Town Clerk, Nancy Edwards, at 715-588-3358 with any clarifications you may seek.

I would like to be able to update the electors and the Board at a future Town Board Meeting later in November.

Thank you for your consideration.
