Emergency 911

Fire meeting on October 5th at 2041.

We had portable pump training with 8 members and meeting with 8 members and 2 visitors.

9/7/22 minutes approved by Mike Z. and Ray W.

Health & Safety officer had nothing to share at this meeting.

Old business the water tower is still not operational yet. The heater in 91 still needs to be fixed. Tom and John will meet to get it done before it gets too cold out.

New business Oct 13 from 10-1 we will be at the school for a fire prevention week activity. Guy A., Kirby G., Adrien K., Tom W., and Mike Z. have said they will attend. We received the DNR grant that pays for some radios, pagers, foam, and a slide in brush unit for a UTV. We are still waiting on the results of the grant that would help us buy the UTV. Kyleisha Young asked to interview some of the members of the department for her podcasts at school. Guy A. said he would be interviewed. Mike Z. and Guy A. and anyone else will work out time. Norm Wetzel and Roberta Gast were our visitors for the meeting. They expressed their thanks for allowing them to attend. Norm Wetzel also addressed those in attendance with his thanks for saving his personal property when he had a fire. It was decided that because of the possibility of visitors at this meeting we will in the future have the meeting and then go to training so that visitors will have a solid time to attend.

Meeting Adjourn by Mike Z. and Ray W. at 2052,

Attendance, Notes, and Agenda attached.
