LDF Town Land Committee

Oct. 19, 2021

Minutes of Committees site visit on Oct. 18, 2021

Committee members present: Tom Wagner, Mike Zimmerman, & Jim Sommerfeldt

Citizens present: Scott Herod and his brother

Meeting called to order at 5 PM at junctions of STH 47 and Raven Lake Rd.

Meeting was properly posted, and as this was our inaugural meeting, the agenda was imbedded in the meeting posting.

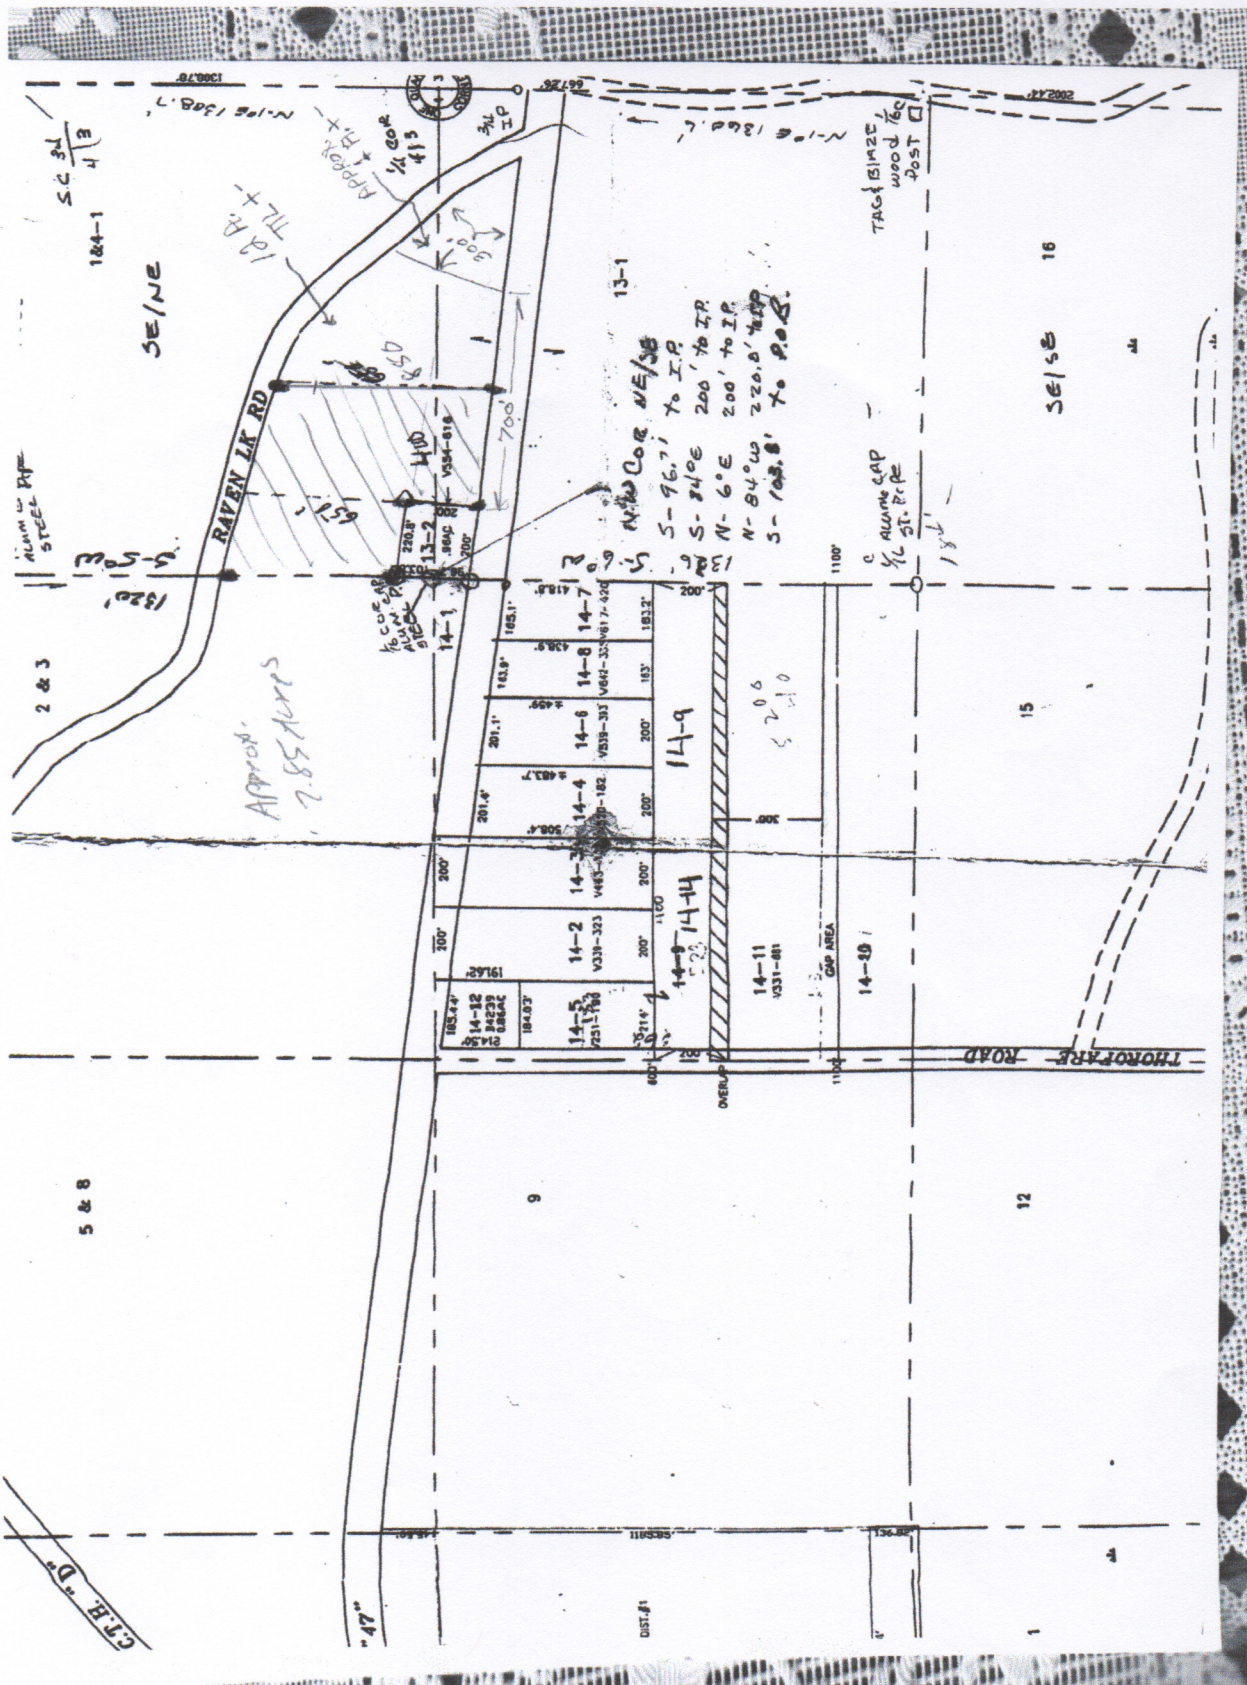

Tom Wagner to Chair the meeting and Jim Sommerfeldt will take minutes. We discussed site maps and site contingencies. Motion was made and seconded that the approximately 6.85 acre site would be acceptable for locating a new Fire Station there with the following contingencies:

1. Water and sewer would be available at site prior to purchase.
2. D.O.T. would approve Fire Station access to STH 47.

Motion carried 3-0. Our findings to be presented to the Town Board at their next regular Town Board Meeting. Possible option for the Town Board would be to acquire the approximate 10-11 acre site, which includes the approximate 6.85 acre site previously approved by this committee. Meeting adjourned at 5:40 PM.

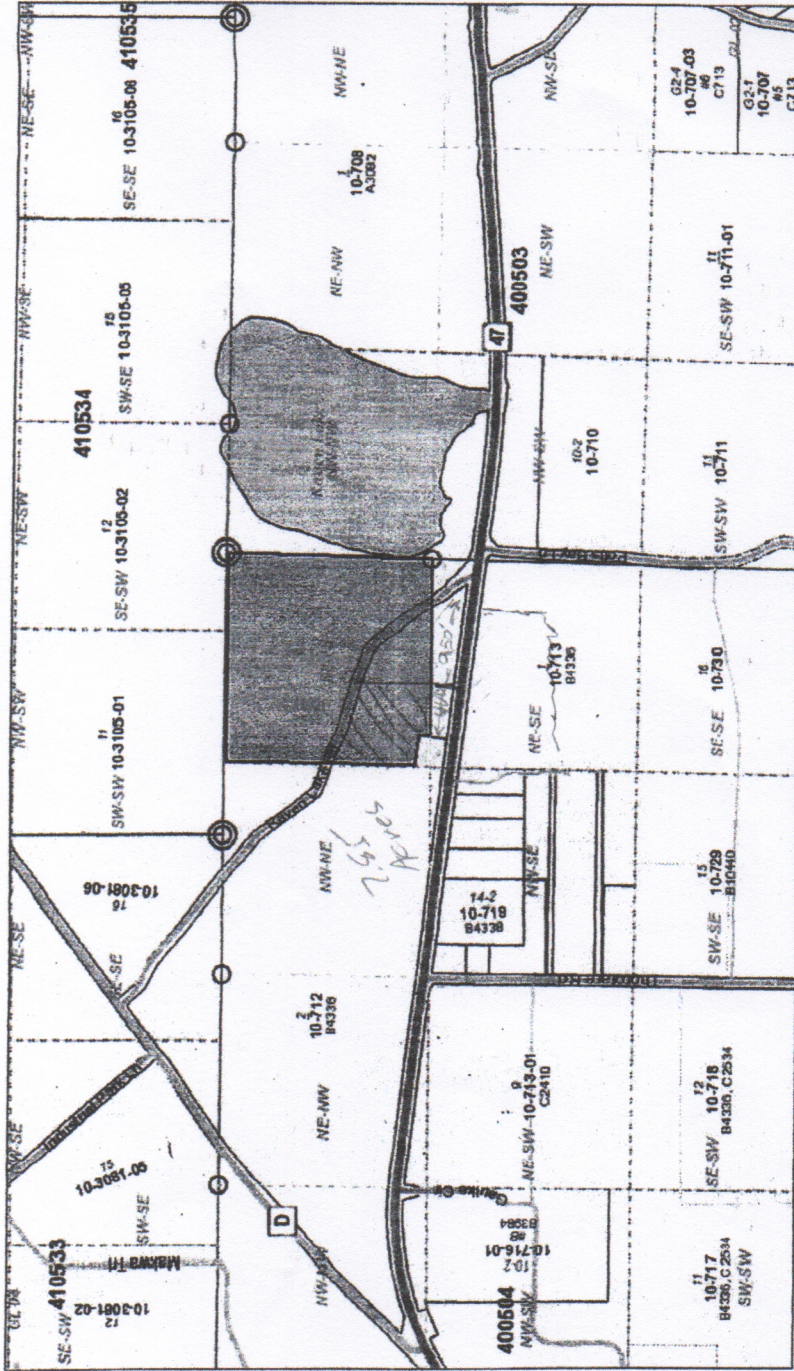

Recording Secretary,

Jim Sommerfeldt
