Motion Carried:

Public Comments: None

Transfer Station Retrofit Charges: Pete Jacobsen wanted this item on the agenda. He is asking the board to review what we are being charged from Retrofit. Retrofit currently picks up our batteries/fluorescent bulbs/light bulbs and ballasts. We do not currently charge for these items. Pete said the fees charged by Retrofit are mounting. After discussion Motion by Supervisor Cobb seconded by Supervisor Mayer to continue accepting these items but to charge for these items using the same fee schedule as what Advance Disposal is using. Motion carried.

Eagle Waste recycling procedures: This item was placed on the agenda as a result of the recycling demonstration at the last board meeting regarding recyclables. Apparently recyclables #'s 1-7 are accepted by Eagle Waste but they are only able to recycle #'s 1-2. They have no place to take recyclables 3-7 so they get bundled up and go the landfill. Mr. Whittinghill from Eagle Waste stated there is currently no place to take #'s 3-7. After discussion it was decided that Pete Jacobsen will continue to have all recyclables # 1-7 put in the recyclable bin and processed as what Eagle Waste is currently doing.

Motion by Supervisor Mayer seconded by Supervisor Cobb to adjourn at 1:47 p.m. Motion carried.

Respectfully submitted,

Nancy Edwards
Town Clerk
